**ON PETITION**

This is a decision on the petition under 37 CFR 1.137(b), filed on December 8, 2005, to revive the above-identified application.

The application became abandoned for failure to timely respond to the Notice of Allowance and Fee(s) Due mailed March 23, 2005. A Notice of Abandonment was mailed on October 25, 2005.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of \$1,400 for payment of the issue fee and \$300 for payment of the publication fee; (2) the petition fee of \$1,500; and (3) an adequate statement of unintentional delay. Therefore, the petition is **GRANTED**.

A review of the record fails to indicate that a change of address has been submitted. Therefore, since the address given on the petition differs from the address of record, a courtesy copy of this decision is being mailed to the address on the petition. If appropriate, a change of address should be filed in accordance with MPEP 601.03. All future correspondence regarding this application will be directed solely to the address of record until otherwise instructed.

This application file is being referred to the Office of Publications to be processed into a patent.
